

## Wines by the Glass

### Featured wine

In 2003, Brent Marris began his search for a special vineyard property that could become the iconic hub for a future winery. Relying on his knowledge of the area built up as a youngster exploring the Marlborough landscape, he discovered an exceptional property on the banks of the Waihopai River named after one of the tallest peaks to the southeast, the Ned. The Pinot Gris is pale gold with a characteristic salmon blush and pristine aromas of fresh citrus and white pear with a persistent floral lift of white rose petals and jasmine. A beautifully textured wine showing ripe flavors of nectarine and baked apple with a concentrated and fully flavored dry finish.
