

## Wines by the Glass

### Featured wine

We're fans of Sans Liege. You'll find several different styles of the wines they make throughout the list, mostly Rhone varietals, as well as their collaborative efforts with Atonement.

This is the most focused and expressive Groundwork Grenache to date. A dense nose ripe with raspberry liquor, crushed rose petal, ground clove and sage. On the palate the wine shows classic cool climate flavors of fresh-tilled earth, sea breeze, black licorice and blueberry with lasting dusty tannins. Think Northern Rhone Syrah meets Central Coast.
