Featured wine

750ml.

In 2008 I founded Tatomer with two Riesling vineyards. My intention was to use my knowledge to make bone-dry Riesling in California unlike many of the off-dry examples in the marketplace today. I made a mere 400 cases in a small corner of a good friend's boutique winery. Since then, I have added one more Riesling vineyard, as well as two Grüner Veltliner vineyards for a total production of 1,100 cases. I plan to explore the depth of my current sites; and pursue new Central Coast terroirs in the years to come.

This country style Pinot Noir is a blend of various vineyards in the area. The clones used are 115, 667, 777, and Pommard. Beautiful floral and red fruit aromas are on the nose. The same flavors carry on to the palate with a bit of earth as well.
