

Wines by the Glass

Featured wine

Miranius – a clever fox who ventures into our vineyards and is delighted by the sweet aromas of the grapes.

“Miranius” is intended to express the singularity of the landscapes of the Penedès region. That’s why it’s made using grapes harvested from a selection of Xarel·lo vineyards distributed in three main areas of the territory: Plana del Penedès, Muntanyes de l’Ordal (vineyards at an elevation of 400 metres) and Vall del Bitlles. A lively, vibrant wine that ages well in the bottle. It has strong varietal character with crisp acidity and a good palate.
