Cantina Kaltern is a unique cooperative over a century in the making. In a small village in Alto Adige, Cantina Kaltern is a way of life. Consisting of 650 passionate growers committed to quality, sustainability and preserving the traditions of the region, Cantina Kaltern stands as an ambassador for the wines produced on the shores of Lake Kaltern. The Quintessenz is made from Schiava Gentile from old vines with southern exposure that lends to the beautifully ripe red fruit, hints of spice, and herbs of the region. Hand harvested and six months on fine lees helps the full but soft structure lead to elegant texture, soft tannin and subtle hints of pepper. Lively and fresh, a pleasant Schiava for any occasion.
