2019 Grosjean Torrette
Petit Rouge/Vien de Nus/Doucet/Fumin/Mayolet,
Vallée d'Aoste DOC
glass 13.5 bottle 40

In the breathtaking high mountain valleys beneath Mont Blanc, the Grosjean Family has been cultivating their land, raising cattle, growing vines and chestnuts for centuries. Their story really evolves in 1969 when Dauphin Grosjean was encouraged to show his wine at the local "wine expo".

Receiving much praise, the exceptional wines have only expanded in both quality and production. With a focus on traditional and local varieties, this Torrette Rouge is 80% Petit Rouge as is traditional to this region. Certified organic, the grapes are all manually harvested and de-stemmed from the south-west facing vines on the steep and sloping hills. Aged entirely in stainless steel from old vines planted anywhere from 1975 to 2010.

With a beautiful purple hue, vibrant acidity, floral and citrus notes, followed by hints of earth and minerality that compliment the juicy ripe red and purple mountain fruit flavors, leading to a harmonious structure that sings affectionately of its picturesque Alpine backdrop.
