

## Wines by the Glass

### Featured Wine

2020 Kaapzicht "Skuinsberg" Bush Vine  
*Cinsaut,*  
WO Stellenbosch

glass 16      bottle 51

Cinsaut has been the forgotten hero of great South African blends from as far back as the 60s. So much so, that when Danie Jr presented his dad with a barrel sample of his own personal project, Danie Sr, exclaimed: "That's the best Pinot Noir you've ever made!" Skuinsberg Cinsaut, named after the vineyards' steep hill, has been admired for producing elegantly perfumed expressions of this single varietal ever since.

Dense and earthy on the nose, with savory sun dried strawberry and bramble berry fruit.  
Light on the palate with ripe fruit, fresh acidity and an underpinning salinity  
that makes it work with seafood and poultry as well as with meat.
